# HS-GX580U
USB GAMING HEADSET WITH RGB LED

GX GAMING

Genius

The Genius HS-GX580U is a popular USB headset with LED, adjustable microphone for playing online game or work. This headset has an elastic headband that can be automatically adjusted according to different head shapes. And, the attached In-line control can adjust the volume and control the microphone on or off. Just plug to USB port, start to listen or talk.
