SE880 External Solid State Drive

POWERFULLY COMPACT

SE880 External SSD

The SE880 is made for productivity on the go. It supports USB 3.2 Gen2 x2 for fast transmissions, is equipped with a Type-C port, and delivers performance of up to 2000MB/s. This is all packed into a compact form factor with a volume of just 28cc, which is smaller than an Airpods case. These attributes make it perfect for productivity and creativity on the go.

Speed Ahead with USB 3.2 Gen2 x2

The SE880 supports USB 3.2 Gen2 x2, capable of reaching transmission speeds of 20Gb/s. This is twice as fast as USB 3.2 Gen 2x1 and 4 times faster than USB 3.2 Gen 1x1.

Fast 2000MB/s Read Performance

The SE880 is capable of reaching read/write speeds of up to 2000MB/s, which is roughly 20 times faster than ordinary external hard drives, which only reach about 100MB/s. This allows you to directly perform intensive task right on the SE880, whether is A/V editing or other applications.

* For optimal performance, the host device must support USB 3.2 Gen 2 and UASP drivers. Actual performance will vary depending on the host device's hardware and software configurations.

** This is an internal test result based on a comparison with ADATA external HDDs. The PCs used in the test support USB 3.2 Gen 2 and have a UASP driver installed. Actual speeds may vary depending on host device's hardware and software configurations.

Made for On the Go

The compact and lightweight SE880 can be easily held in the palm of the hand or placed into bags or packets for unrivalled portability.

Tool-less Assembly

Supporting many of the latest game consoles, the SE880 is ideal for storing all your games without out taking up too much physical space.

*Formatting may be required before connecting to your game console. Please visit the ADATA website for more information.

Features

● Supports USB 3.2 Gen2 x2

● Fast Speeds of up to 2000 MB/s

● Highly portable, lightweight, and compact form factor

● Supports new generation game consoles

● Supports multiple operating systems

Specifications

● Capacity: 500GB / 1TB / 2TB /4TB

● Color: Titanium Gray / Blue

● Dimensions (L x W x H): 64.8 x 35 x 12.25mm / 2.55 x 1.38 x 0.48inch

● Weight: 31g / 1.1oz

● Interface: USB 3.2 Gen 2x2 Type-C (USB 20Gbps) (backward compatible with USB 2.0)

● System requirements: Windows 8/8.1/10/11, Mac OS X 10.6 or later, Linux Kernel 2.6 or later, Android 8.0 or later

● Devices supported: iPad Pro 2018 or later, MacBook Pro 2019 or later, MacBook Air 2019 or later, Xbox ONE, Xbox Series X|S, PlayStation® 5, PlayStation®4 Pro.

● Warranty: Limited 5-year
